Sampson Academy

Annual Education Report (AER)

August 16, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2009-2010 educational progress for the Sampson Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact the school for assistance.

The AER is available for you to review electronically by visiting the following web site www.detroitk12.org/AER or you may review a copy in Sampson Academy's office.

For 2009-2010 school year, Sampson Academy met Adequate Yearly Progress (AYP) in English Language Arts and mathematics. We are currently in AYP Phase 0. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

It will be very important that the administration and staff at Sampson Academy continue to place emphasis on student achievement and preparing our students for the future. With that being said, as a staff we must continue to do the following:

1. Place high emphasis on professional development to enhance skills
2. Continue to emphasize the importance of Differentiated Learning to better prepare all students to achieve
3. To continue to implement inclusion among special needs students and implement appropriate strategies which will benefit both the special needs teacher and general education teacher
4. To place emphasis on having our special education resource teacher pushing into classes to assist versus pulling out students. This will better the resource students to compete within the general setting
5. To continue to have teachers engaged in teams in which the importance of interpreting data school-wide and specific classroom data is emphasized. The teachers' role is crucial. Preparation, developing skills, maintaining discipline and having high expectations within the classroom is very important. Trust and Respect is a by-product of the

Detroit Public Schools

student giving their very best to not let the teacher down and to be prepared daily based on student/teacher relationships

6. To continue to implement strategies regarding increasing/improving student daily attendance. Continued focus will be on support from parents and using assigned staff to monitor compliance initiatives within the school
7. To continue to emphasize the importance of our academic support team which includes our Instructional Specialist, Counselor, Student Service Assistants, Assistant Attendance Officers and Literacy Coach to continue providing the best support for our teachers in order for them to be successful within the classroom.

Parents/guardians you can become involved in the successful education of your child(ren) by:

- Making sure that your child is in school every day possible!
 - Make sure they arrive;
 - On time!
 - On Task!
 - Ready to learn!
- Establish a daily family routine with scheduled homework time.
 - Designate a time and place for your child to do homework. Make sure all assignments are completed and promptly returned when due.
 - Be aware of tests and project schedules
- Use TV wisely
 - Academic Achievement drops for children who watch more than 10 hours a week.
 - Limit the amount of time spent watching TV
 - Select educational programs
 - Watch and discuss shows with your child(ren). This will help children understand how stories are structured.
- Make sure your child has access to a computer and the Internet
- Partner with your child's teacher, stay informed about your child(ren)'s progress at school.
- Participate on local school committees
- Become a member of the Local School Community Organization (LSCO)
- Volunteer in and around school

State law requires that we also report additional information.

Process for assigning pupils to the school

During the 2009-2010 school year, students were required to live within the boundary of the school to which they were assigned.

Detroit Public Schools

During the 2010-2011 school year Open Enrollment Detroit Public Schools implemented the “Open Enrollment Initiative. This initiative allows students to elect to attend any Detroit Public School without being required to live within the boundary for that school. The “Open Enrollment Initiative” does not apply to the Examination High Schools, or Application Schools. Parents may enroll their child(ren) in the school of their interest as long as the school has not reached capacity for their particular grade. Enrollment preference is given to students who live within the boundary of a school. It should also be noted that transportation will not be provided for students who select a school outside of the boundary of their home school. Open Enrollment Initiative resources can be found on our web-site at:
http://detroitk12.org/resources/prospective_students/

Student Achievement Results

Aggregate Student Achievement Results and Detroit Public Schools Quarterly Benchmark Assessment in Reading and Mathematics for Sampson Academy can be found on the Detroit Public Schools' web-page at the Research, Evaluation and Assessment site at <http://detroitk12.org/data/rea/>. The following reports are available:

- District Profile Report
- Combined School Profile Reports
- Individual School Profile Reports
- Adequate Yearly Progress (AYP) Reports
- Annual Education Report

A hard copy is also available in the school's office. Contact the school's principal for more details.

Parent-Teacher Conferences (Interactions)

The Detroit Public Schools' Office of Research, Evaluation, Assessment and Accountability is developing a data collection system which will enable the district to comply with the Annual Education Report criteria of identifying the number and percent of students represented by parents at Parent-Teacher-Conferences. We are currently able to report the number of parent interactions as ascertained by Parent-Teacher-Conferences signature lists submitted by DPS schools. In the future, we will report the data according to the Annual Education Report criteria.

Detroit Public Schools

During the 2009-2010 school year, Robinson Elementary-Middle School reported 375 parent interactions. In 2008-2009, there were 350 parent interactions reported.

We would like to wish the students, parents and community a successful school year.

Sincerely,

Alvin Wood, Principal

Detroit Public Schools' Core Curriculum:

Consistent with the District academic plan, **Excellent Schools for Every Child**, there are aggressive plans to accelerate the rate of student achievement and to ensure that students graduate with the academic and social skills necessary for success in college and the workplace.

Specific curriculum actions include:

- *alignment of the curriculum, lessons planning and pacing calendars to national and state standards
- *ensuring that material and texts and supplemental resources and used in the classroom are directly linked to and with the grade expectations
- *defined grade level expectations to create alignment throughout the school
- * Administration and review of quarterly benchmark assessments for students in grades 3-12
- *use pre-intervention tools such as the Dynamic Indicator of Basic Early Literacy Skills (DIBLES) to assess language fluency for students on grades Prek-2 to ensure literacy foundation for reading success
- *use of the data (both formal and informal) to inform teaching strategies and professional development needs for staff, including but not limited to, teachers and administrators
- *focused professional development on the use of appropriate curriculum and teaching strategies, monitoring results and developing the interventions for re-teaching, as necessary
- *use technology (Learning Village/an on-line instructional management system) as a tool to manage instruction and teacher practice

Access to the Core Curriculum

The instructional strategies and grade level expectations are aligned to the state standards and the NAEP. This represents the core curriculum which is supported by the texts, materials, computer soft ware and other school level resources used daily in the classrooms. All of the professional development activities are aligned to the core curriculum.

The implementation is a process delineated in the District Plan **Excellent Schools for Every Child**. This plan serves as the framework for each school's academic achievement plan. The frequent monitoring of the implementation of these plans is conducted by the school diagnostic visits, review of the benchmark assessments, use of the teacher evaluation tool and adherence to the pacing calendar.

Detroit Public Schools

The variances from the state plan can be found in the grade level expectations which are also aligned to the higher standards of NAEP.

A Summer Parent University is offered with classes to increase parenting skills, early childhood literacy, adult literacy and GED. During the school year, the Regional Parent Resource Center are a vehicle for parents and other community member to participate in regular and on-going informational and participatory sessions focused on curriculum and instruction. Learning Village (an on line instructional management system)

Web updates and semi-annual progress reports are also a means to disseminate information to parents and community.

Detroit Public Schools Core Curriculum is currently under revision. Pacing Charts and Curriculum guided will be posted to the Academic Affairs page of our web-site in the near future.

Parent Engagement

- *Use the technology portal for parents to view daily lessons and to communication with teachers

- *implement and follow through with the parent contracts

- *increase the Volunteer Reading Corps from approximately 5000 volunteers this year to 10,000 for next school year

- *use the Parent Resource Center to engage parents in innovative workshops and session that are practical and will result in parent support to students at home
