### Annual Education Report (AER)

August 16, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2009-2010 educational progress for the Vetal Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact the school for assistance.

The AER is available for you to review electronically by visiting the following web site [www.detroitk12.org/AER](http://www.detroitk12.org/AER) or you may review a copy in Vetal Elementary School's office.

For 2009-2010 school year, Vetal Elementary School met Adequate Yearly Progress (AYP) in English Language Arts and mathematics. We made AYP this year but did not make AYP last year. We are still identified for improvement and will continue in AYP Phase **g**. If we make AYP for a second consecutive year we will no longer be identified for improvement and will return to Phase 0. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

Peter G. Vetal School will increase and improve MEAP scores by using student data analysis to identify current academic needs, after-school tutorial programs, assess systemic processes and protocols that are in place and adjust according to the students' strengths and weaknesses, utilize the documents that are aligned and referenced to the Michigan Curriculum Framework and Grade Level Content Expectations, pacing charts and guides, continuous practice of differentiated instruction, establish and articulate a school-wide system of communication, cross-curricula ancillary services, on-going professional development, team teaching, looping, inclusion, Lorraine Monroe's BBC, continue to partner with WRESA coaches and Teachscape, (PBS) Positive Behavior Support, establish governance committees, purchase various types of technology and offer in-service, obtain adequate staffing and reduced class size.

The school staff maintains purposeful, active, positive relationships with families of its students and with the community in which it operates. Parents play a pivotal role in the success of the student when then school and parents partner together. To support student learning, PG Vetal will hold monthly Parent Meetings, Family Math and Science nights. Our staff will attend LSCO/PTA meetings and share student data, increase

parent volunteers, volunteers from U of M and City Year. We will communicate via newsletters, monthly calendars, progress reports and parent/teacher conferences. Our Open Door Policy affords parents the opportunity to arrange conferences and to visit classrooms regularly.

Additionally, parents/guardians you can become involved in the successful education of your child(ren) by:

- Making sure that your child is in school every day possible!
  - Make sure they arrive;
    - On time!
    - On Task!
    - Ready to learn!
- Establish a daily family routine with scheduled homework time.
  - Designate a time and place for your child to do homework. Make sure all assignments are completed and promptly returned when due.
  - Be aware of tests and project schedules
- Use TV wisely
  - Academic Achievement drops for children who watch more than 10 hours a week.
  - Limit the amount of time spent watching TV
  - Select educational programs
  - Watch and discuss shows with your child(ren). This will help children understand how stories are structured.
- Make sure your child has access to a computer and the Internet
- Partner with your child's teacher, stay informed about your child(ren)'s progress at school.
- Participate on local school committees
- Become a member of the Local School Community Organization (LSCO)
- Volunteer in and around school

State law requires that we also report additional information.

## **Process for assigning pupils to the school**

During the 2009-2010 school year, students were required to live within the boundary of the school to which they were assigned.

During the 2010-2011 school year Open Enrollment Detroit Public Schools implemented the "Open Enrollment Initiative. This initiative allows students to elect to attend any Detroit Public School without being required to live within the boundary for that school. The "Open Enrollment Initiative" does not apply to the Examination High Schools, or Application Schools. Parents may enroll their child(ren) in the school of their interest as long as the school has not reached capacity for their particular grade. Enrollment preference is

given to students who live within the boundary of a school. It should also be noted that transportation will not be provided for students who select a school outside of the boundary of their home school. Open Enrollment Initiative resources can be found on our web-site at: [http://detroitk12.org/resources/prospective\\_students/](http://detroitk12.org/resources/prospective_students/)

- Annual Education Report

A hard copy is also available in the school's office. Contact the school's principal for more details.

## *Parent-Teacher Conferences (Interactions)*

The Detroit Public Schools' Office of Research, Evaluation, Assessment and Accountability is developing a data collection system which will enable the district to comply with the Annual Education Report criteria of identifying the number and percent of students represented by parents at Parent-Teacher-Conferences. We are currently able to report the number of parent interactions as ascertained by Parent-Teacher-Conferences signature lists submitted by DPS schools. In the future, we will report the data according to the Annual Education Report criteria.

During the 2009-2010 school year, the school reported 10% parent interactions. In 2008-2009, there were 20% parent interactions.

We would like to wish the students, parents and community a successful school year.

Sincerely,

Marcia Morrow, Principal

## Detroit Public Schools' Core Curriculum:

Consistent with the District academic plan, **Excellent Schools for Every Child**, there are aggressive plans to accelerate the rate of student achievement and to ensure that students graduate with the academic and social skills necessary for success in college and the workplace.

### Specific curriculum actions include:

- \*alignment of the curriculum, lessons planning and pacing calendars to national and state standards
- \*ensuring that material and texts and supplemental resources and used in the classroom are directly linked to and with the grade expectations
- \*defined grade level expectations to create alignment throughout the school
- \* Administration and review of quarterly benchmark assessments for students in grades 3-12
- \*use pre-intervention tools such as the Dynamic Indicator of Basic Early Literacy Skills (DIBLES) to assess language fluency for students on grades Prek-2 to ensure literacy foundation for reading success
- \*use of the data (both formal and informal) to inform teaching strategies and professional development needs for staff, including but not limited to, teachers and administrators
- \*focused professional development on the use of appropriate curriculum and teaching strategies, monitoring results and developing the interventions for re-teaching, as necessary
- \*use technology (Learning Village/an on-line instructional management system) as a tool to manage instruction and teacher practice

### Access to the Core Curriculum

The instructional strategies and grade level expectations are aligned to the state standards and the NAEP. This represents the core curriculum which is supported by the texts, materials, computer soft ware and other school level resources used daily in the classrooms. All of the professional development activities are aligned to the core curriculum.

The implementation is a process delineated in the District Plan **Excellent Schools for Every Child**. This plan serves as the framework for each school's academic achievement plan. The frequent monitoring of the implementation of these plans is conducted by the school diagnostic visits, review of the benchmark assessments, use of the teacher evaluation tool and adherence to the pacing calendar.

The variances from the state plan can be found in the grade level expectations which are also aligned to the higher standards of NAEP.

A Summer Parent University is offered with classes to increase parenting skills, early childhood literacy, adult literacy and GED. During the school year, the Regional Parent Resource Center are a vehicle for parents and other community member to participate in regular and on-going informational and participatory sessions focused on curriculum and instruction. Learning Village (an on line instructional management system)

Web updates and semi-annual progress reports are also a means to disseminate information to parents and community.

Detroit Public Schools Core Curriculum is currently under revision. Pacing Charts and Curriculum guided will be posted to the Academic Affairs page of our web-site in the near future.

## **Parent Engagement**

- \*Use the technology portal for parents to view daily lessons and to communication with teachers

- \*implement and follow through with the parent contracts

- \*increase the Volunteer Reading Corps from approximately 5000 volunteers this year to 10,000 for next school year

- \*use the Parent Resource Center to engage parents in innovative workshops and session that are practical and will result in parent support to students at home
