Annual Education Report (AER)

August 16, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2009-2010 educational progress for the Malcolm X Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. Please contact us at (313) 873-6473 or email us at AER@detroitk12.org for help if you need assistance.

The AER is available for you to review electronically by visiting the following web site www.detroitk12.org/AER or you may request a copy at (313) 873-6473 or email us at AER@detroitk12.org.

For 2009-2010 school year, Malcolm X Academy met Adequate Yearly Progress (AYP) in English Language Arts and mathematics. We are currently in AYP Phase 0. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort. During the 2010-2011 Malcolm X will merge with the Paul Robeson Academy.

Malcolm X Academy intends improving its Adequate Yearly Progress (AYP) status and increasing its efforts to adapt the pedagogy and effective practices of its African Centered Program. Having a child-centered focus allows Malcolm X to always keep the perspective of the whole child as the major consideration in the implementation of the dynamics that exist within the program. The methods use to foster parental involvement will be reviewed and redesigned to reflect and acknowledge the home environment and surrounding community in which our student live. A greater variety of programs will be made available at Malcolm X Academy and more effective attempts to inform and assist parents and students will be made. A concerted effort will be made to raise attendance and garner greater community involvement.

At Malcolm X parents sign a Covenant of Parental Support and Participation (PPSP) that serves as an agreement between the teacher and the parent on the level of involvement in the learning environment of their child. This covenant allows parent to customize their involvement to fit the needs of the student ad their teacher. Parents get involved and or participate by chaperoning field trips, providing additional adult supervision and monitoring in the classroom, donating classroom supplies, preparation for school event/competitions, and school fund raising. The goal of the PPSP is to establish an open line of communication between the parent and teacher that informs and supports the academic achievement of the student.

Detroit Public Schools

State law requires that we also report additional information.

Process for assigning pupils to the school

During the 2009-2010 school year, students were required to live within the boundary of the school to which they were assigned.

During the 2010-2011 school year Open Enrollment Detroit Public Schools implemented the “Open Enrollment Initiative. This initiative allows students to elect to attend any Detroit Public School without being required to live within the boundary for that school. The “Open Enrollment Initiative” does not apply to the Examination High Schools, or Application Schools. Parents may enroll their child(ren) in the school of their interest as long as the school has not reached capacity for their particular grade. Enrollment preference is given to students who live within the boundary of a school. It should also be noted that transportation will not be provided for students who select a school outside of the boundary of their home school. Open Enrollment Initiative resources can be found on our web-site at:
http://detroitk12.org/resources/prospective_students/

School Improvement Status

Year	School Improvement Status
2009-2010	N/A - AYP Met
2008-2009	N/A - AYP Not Met

Student Achievement Results

Aggregate Student Achievement Results and Detroit Public Schools Quarterly Benchmark Assessment in Reading and Mathematics for Malcolm X Academy can be found on the Detroit Public Schools' web-page at the Research, Evaluation and Assessment site at <http://detroitk12.org/data/rea/>. The following reports are available:

- District Profile Report
- Combined School Profile Reports
- Individual School Profile Reports
- Adequate Yearly Progress (AYP) Reports
- Annual Education Report

A hard copy is also available in the school's office. Contact the school's principal for more details.

Parent-Teacher Conferences (Interactions)

The Detroit Public Schools' Office of Research, Evaluation, Assessment and Accountability is developing a data collection system which will enable the district to comply with the Annual Education Report criteria of identifying the number and percent of students represented by parents at Parent-Teacher-Conferences. We are currently able to report the number of parent interactions as ascertained by Parent-Teacher-Conferences signature lists submitted by DPS schools. In the future, we will report the data according to the Annual Education Report criteria.

During the 2009-2010 school year, the school reported 109 parent interactions. In 2008-2009, there were 81 parent interactions.

We would like to wish the students, parents and community a successful school year.

Sincerely,
The Administration and Staff of
Malcolm X Academy

Detroit Public Schools' Core Curriculum:

Consistent with the District academic plan, **Excellent Schools for Every Child**, there are aggressive plans to accelerate the rate of student achievement and to ensure that students graduate with the academic and social skills necessary for success in college and the workplace.

Specific curriculum actions include:

- *alignment of the curriculum, lessons planning and pacing calendars to national and state standards
- *ensuring that material and texts and supplemental resources and used in the classroom are directly linked to and with the grade expectations
- *defined grade level expectations to create alignment throughout the school
- * Administration and review of quarterly benchmark assessments for students in grades 3-12
- *use pre-intervention tools such as the Dynamic Indicator of Basic Early Literacy Skills (DIBLES) to assess language fluency for students on grades Prek-2 to ensure literacy foundation for reading success
- *use of the data (both formal and informal) to inform teaching strategies and professional development needs for staff, including but not limited to, teachers and administrators
- *focused professional development on the use of appropriate curriculum and teaching strategies, monitoring results and developing the interventions for re-teaching, as necessary
- *use technology (Learning Village/an on-line instructional management system) as a tool to manage instruction and teacher practice

Access to the Core Curriculum

The instructional strategies and grade level expectations are aligned to the state standards and the NAEP. This represents the core curriculum which is supported by the texts, materials, computer soft ware and other school level resources used daily in the classrooms. All of the professional development activities are aligned to the core curriculum.

The implementation is a process delineated in the District Plan **Excellent Schools for Every Child**. This plan serves as the framework for each school's academic achievement plan. The frequent monitoring of the implementation of these plans is conducted by the school diagnostic visits, review of the benchmark assessments, use of the teacher evaluation tool and adherence to the pacing calendar.

The variances from the state plan can be found in the grade level expectations which are also aligned to the higher standards of NAEP.

A Summer Parent University is offered with classes to increase parenting skills, early childhood literacy, adult literacy and GED. During the school year, the Regional Parent Resource Center are a vehicle for parents and other community member to participate in regular and on-going informational and participatory sessions focused on curriculum and instruction. Learning Village (an on line instructional management system)

Web updates and semi-annual progress reports are also a means to disseminate information to parents and community.

Detroit Public Schools Core Curriculum is currently under revision. Pacing Charts and Curriculum guided will be posted to the Academic Affairs page of our web-site in the near future.

Parent Engagement

- *Use the technology portal for parents to view daily lessons and to communication with teachers

- *implement and follow through with the parent contracts

- *increase the Volunteer Reading Corps from approximately 5000 volunteers this year to 10,000 for next school year

- *use the Parent Resource Center to engage parents in innovative workshops and session that are practical and will result in parent support to students at home
