### Annual Education Report (AER)

August 16, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2009-2010 educational progress for the Hancock Preparatory Center. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact us at (313) 873-6473 or email us at [AER@detroitk12.org](mailto:AER@detroitk12.org) if you need assistance.

The AER is available for you to review electronically by visiting the following web site [www.detroitk12.org/AER](http://www.detroitk12.org/AER) or you may review a copy in Hancock Preparatory Center's office.

For the 2009-2010 school year, we are in **AYP Phase 1**, we did not make Adequate Yearly Progress (AYP) because:

- We did not meet the 90% attendance rate goal.
  - Attendance Rates for All Students 71.8%; Black 71.8% and Economically Disadvantaged 78%.

Because our school has not made AYP for 2 year(s), we are identified for School Improvement.

Hancock will continue to provide district and outside resources to our students. Hancock is currently involved with a number of partnerships that promote Behavior Modification Practices, Non-Violence, Health, Social Work and Counseling Services, Family Services, Attendance Department-DPS, Detroit Police Department and the list goes on. Each one of our partnerships encourages our students to succeed and explore all educational possibilities. Our attendance agents work diligently in making sure our students are in school, they have also involved our students in a positive way with the Prosecutors Office, through field trips, contest and weekly visit to the school checking in on students. They also provide clothes, supplies and family support to our students/families.

Hancock will increase its efforts to promote student attendance through contests, special events, field trips, speakers, and parent involvement activities.

Our Parents Are Involved! In keeping with the district's goal of Parent Involvement, Mandatory Weekly Parent Meetings were incorporated, to allow parents the opportunity to be actively engaged with the school and their child's progress. Parents/guardians you can become further involved in the successful education of your son/daughter by:

State law requires that we also report additional information.

## **Process for assigning pupils to the school**

During the 2009-2010 school year, students were required to live within the boundary of the school to which they were assigned.

During the 2010-2011 school year, Detroit Public Schools implemented the "Open Enrollment Initiative. This initiative allows students to elect to attend any Detroit Public School without being required to live within the boundary for that school. The "Open Enrollment Initiative" does not apply to the Examination High Schools, or Application Schools. Parents may enroll their child(ren) in the school of their interest as long as the school has not reached capacity for their particular grade. Enrollment preference is given to students who live within the boundary of a school. It should also be noted that transportation will not be provided for students who select

## Parent-Teacher Conferences (Interactions)

The Detroit Public Schools' Office of Research, Evaluation, Assessment and Accountability is developing a data collection system which will enable the district to comply with the Annual Education Report criteria of identifying the number and percent of students represented by parents at Parent-Teacher-Conferences. We are currently able to report the number of parent interactions as ascertained by Parent-Teacher-Conferences signature lists submitted by DPS schools. In the future, we will report the data according to the Annual Education Report criteria.

During the 2009-2010 school year, the school reported **24** parent interactions. In 2008-2009 there were **32** parent interactions.

We would like to wish the students, parents and community a successful school year.

Sincerely,  
Coy Robinson-Green, Principal

## Detroit Public Schools' Core Curriculum:

Consistent with the District academic plan, **Excellent Schools for Every Child**, there are aggressive plans to accelerate the rate of student achievement and to ensure that students graduate with the academic and social skills necessary for success in college and the workplace.

### Specific curriculum actions include:

- \*alignment of the curriculum, lessons planning and pacing calendars to national and state standards
- \*ensuring that material and texts and supplemental resources and used in the classroom are directly linked to and with the grade expectations
- \*defined grade level expectations to create alignment throughout the school
- \* Administration and review of quarterly benchmark assessments for students in grades 3-12
- \*use pre-intervention tools such as the Dynamic Indicator of Basic Early Literacy Skills (DIBLES) to assess language fluency for students on grades Prek-2 to ensure literacy foundation for reading success
- \*use of the data (both formal and informal) to inform teaching strategies and professional development needs for staff, including but not limited to, teachers and administrators
- \*focused professional development on the use of appropriate curriculum and teaching strategies, monitoring results and developing the interventions for re-teaching, as necessary
- \*use technology (Learning Village/an on-line instructional management system) as a tool to manage instruction and teacher practice

### Access to the Core Curriculum

The instructional strategies and grade level expectations are aligned to the state standards and the NAEP. This represents the core curriculum which is supported by the texts, materials, computer soft ware and other school level resources used daily in the classrooms. All of the professional development activities are aligned to the core curriculum.

The implementation is a process delineated in the District Plan **Excellent Schools for Every Child**. This plan serves as the framework for each school's academic achievement plan. The frequent monitoring of the implementation of these plans is conducted by the school diagnostic visits, review of the benchmark assessments, use of the teacher evaluation tool and adherence to the pacing calendar.

# Detroit Public Schools

The variances from the state plan can be found in the grade level expectations which are also aligned to the higher standards of NAEP.

A Summer Parent University is offered with classes to increase parenting skills, early childhood literacy, adult literacy and GED. During the school year, the Regional Parent Resource Center are a vehicle for parents and other community member to participate in regular and on-going informational and participatory sessions focused on curriculum and instruction. Learning Village (an on line instructional management system)

Web updates and semi-annual progress reports are also a means to disseminate information to parents and community.

Detroit Public Schools Core Curriculum is currently under revision. Pacing Charts and Curriculum guided will be posted to the Academic Affairs page of our web-site in the near future.

## **Parent Engagement**

- \*Use the technology portal for parents to view daily lessons and to communication with teachers

- \*implement and follow through with the parent contracts

- \*increase the Volunteer Reading Corps from approximately 5000 volunteers this year to 10,000 for next school year

- \*use the Parent Resource Center to engage parents in innovative workshops and session that are practical and will result in parent support to students at home
