## Dixon Elementary School

### Annual Education Report (AER) 2010-2011

August, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for the Dixon Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact the school for assistance. You may also leave a message on the AER Hot-line (313) 873.6473 or email us at [aer@detroitk12.org](mailto:aer@detroitk12.org).

The AER is available for you to review electronically by visiting the following web site [www.detroitk12.org/AER](http://www.detroitk12.org/AER) or you may review a copy in Dixon Elementary School's office.

We are in **AYP Phase 0~Alert** for the 2010-2011 school year. We did not make Adequate Yearly Progress (AYP) because:

- ❖ We did not meet the 90% attendance rate goal.
  - Attendance Rates for All Students 83.6%; Black 83.6%; Students with Disabilities 83.2% and Economically Disadvantaged 83.6%.

Because our school has not made AYP for 1 year(s), it is not identified for school Improvement.

Dixon Educational Learning Academy is completing the first year of the turnaround model implemented in the 2010-2011 school year. We saw some gains in academic scores on the MEAP compared to the scores for last year at (Lessenger). We are faced with not making AYP this year because of our attendance. We have added a full time attendance agent, counselor and social worker to address the social aspect of the attendance and concerns of the parents. We have hired four literacy coaches through WCRESA in mathematics and ELA. These coaches have worked through the summer program working with teachers and preparing extra tutorial packages for the students in summer school. A more detailed package will be given to students the first week of

# DETROIT PUBLIC SCHOOLS

school. MEAP University will be in effect for the first six weeks of school for all students in grades 3-8. Through our SIG grant we will be providing bus transportation for those students that need it.

Attendance will be checked daily by the attendance officer. The counselor will assist with calling the homes of chronic truant students and arrange a conference with the parents to provide support.

The following incentives will be put into effect the 2011-2012:

1. 1<sup>st</sup> card marking we will have an in house movie day with snacks for those students with less than 3 absences.
2. 2<sup>nd</sup> card marking provide a field trip, for those students with 2 or less absences, to Dave & Buster, grades k-5 will go to the imagination station.
3. 3<sup>rd</sup> card marking lunch will be provided for all students with 2 or less absences with the principal.
4. 4<sup>th</sup> card marking all students with perfect attendance will get a free trip to Cedar Point.
5. An honors assembly will be held after each card marking honoring all students that have academic gains and citizenship.

We will include parents through our Second Cup of Coffee which is held the 2<sup>nd</sup> Tuesday of each month. Parents are introduced to the things that their children will be doing throughout the school year.

- ❖ Because of the chronic absences we will be drafting a pledge for parents and their children here at Dixon to get all children to school every day and on time. Parents will be highlighted in all newsletters sent home.
- ❖ A package with a study guide, school rules and a parent help form, which parents can use to request help from the school with many services including FIA. ( Family Independent Agency) We have a FIA office housed at Dixon.
- ❖ We are asking parents to help us get the students to school each day, and attain a 2.5 or better with no code violations, which will promote good attendance.
- ❖ Parents will be encouraged to write their solution to a problem involving their students and the notes will be compiled into a bound book and distributed to parents.

State law requires that we also report additional information.

# DETROIT PUBLIC SCHOOLS

## Process for assigning pupils to the school

During the 2009-2010 school year, students were required to live within the boundary of the school to which they were assigned.

During the 2010-2011 school year Open Enrollment Detroit Public Schools implemented the “Open Enrollment Initiative. This initiative allows students to elect to attend any Detroit Public School without being required to live within the boundary for that school. The “Open Enrollment Initiative” does not apply to the Examination High Schools, or Application Schools. Parents may enroll their child (ren) in the school of their interest as long as the school has not reached capacity for their particular grade. Enrollment preference is given to students who live within the boundary of a school. It should also be noted that transportation will not be provided for students who select a school outside of the boundary of their home school. Open Enrollment Initiative resources can be found on our web-site at: [http://detroitk12.org/resources/prospective\\_students/](http://detroitk12.org/resources/prospective_students/)

## School Improvement Status

Year	School Improvement Status
2010-2011	AYP Not Met ~ N/A
2009-2010	AYP Met

## Detroit Public Schools' Core Curriculum:

Consistent with the District academic plan, **Excellent Schools for Every Child**, there are aggressive plans to accelerate the rate of student achievement and to ensure that students graduate with the academic and social skills necessary for success in college and the workplace.

## Specific curriculum actions include:

- \*alignment of the curriculum, lessons planning and pacing calendars to national and state standards
- \*ensuring that material and texts and supplemental resources and used in the classroom are directly linked to and with the grade expectations
- \*defined grade level expectations to create alignment throughout the school
- \* Administration and review of quarterly benchmark assessments for students in grades 3-12

# DETROIT PUBLIC SCHOOLS

\*use pre-intervention tools such as the Dynamic Indicator of Basic Early Literacy Skills (DIBLES) to assess language fluency for students on grades Prek-2 to ensure literacy foundation for reading success

\*use of the data (both formal and informal) to inform teaching strategies and professional development needs for staff, including but not limited to, teachers and administrators

\*focused professional development on the use of appropriate curriculum and teaching strategies, monitoring results and developing the interventions for re-teaching, as necessary

\*use technology (Learning Village/an on-line instructional management system) as a tool to manage instruction and teacher practice

## Access to the Core Curriculum

The instructional strategies and grade level expectations are aligned to the state standards and the NAEP. This represents the core curriculum which is supported by the texts, materials, computer soft ware and other school level resources used daily in the classrooms. All of the professional development activities are aligned to the core curriculum.

The implementation is a process delineated in the District Plan **Excellent Schools for Every Child**. This plan serves as the framework for each school's academic achievement plan. The frequent monitoring of the implementation of these plans is conducted by the school diagnostic visits, review of the benchmark assessments, use of the teacher evaluation tool and adherence to the pacing calendar.

The variances from the state plan can be found in the grade level expectations which are also aligned to the higher standards of NAEP.

A Summer Parent University is offered with classes to increase parenting skills, early childhood literacy, adult literacy and GED. During the school year, the Regional Parent Resource Center are a vehicle for parents and other community member to participate in regular and on-going informational and participatory sessions focused on curriculum and instruction. Learning Village (an on line instructional management system)

Web updates and semi-annual progress reports are also a means to disseminate information to parents and community.

Detroit Public Schools Core Curriculum is currently under revision. Pacing Charts and Curriculum guided will be posted to the Academic Affairs page of our web-site in the near future.

# DETROIT PUBLIC SCHOOLS

## Parent Engagement

- \*Use the technology portal for parents to view daily lessons and to communication with teachers.
- \*implement and follow through with the parent contracts.
- \*increase the Volunteer Reading Corps from approximately 5000 volunteers this year to 10,000 for next school year.
- \*use the Parent Resource Center to engage parents in innovative workshops and session that are practical and will result in parent support to students at home.

## Student Achievement Results

Aggregate Student Achievement Results and Detroit Public Schools Quarterly Benchmark Assessment in Reading and Mathematics for Dixon Elementary School can be found on the Detroit Public Schools' web-page at the Research, Evaluation and Assessment site at <http://detroitk12.org/data/rea/>. The following reports are available:

- District Profile Report
- Combined School Profile Reports
- Individual School Profile Reports
- Adequate Yearly Progress (AYP) Reports
- Annual Education Report

## Parent-Teacher Conferences (Interactions):

School Year	Total Parent Interactions	Percent
2010-2011	1194	37.8%
2009-2010	670	N/A

The Detroit Public Schools' Office of Research, Evaluation, Assessment and Accountability has developed a data collection system which has enabled the district to comply with the Annual Education Report criteria of identifying the number and percent of students represented by parents at Parent-Teacher-Conferences.

- 1.0 Data from the PTC Forms represent "parent interactions" with teachers, per school, per card-marking.

# DETROIT PUBLIC SCHOOLS

- 2.0 Parent Interaction Definition: During Parent Teacher Conferences (and in some instances school open houses) Schools/Teachers are advised to have each parent participant provide a parent signature—a parent may not sign for a student if they did not talk about that student.
- 3.0 For a variety of reasons, five (5) DPS schools are not included in the data collection count due to some school closures and non-return of Parent Teacher Conference Signature List Documents.
- 4.0 Several DPS schools had a very high percentage of reported parent interactions. This may be due to a number of reasons. In at least three (3) instances, the calculated percentages are in excess of 100%. In each instance, each of these three (3) schools is an elementary school with a large parent turnout at each of the four (4) required conferences. If during each conference one (1) parent with two (2) students enrolled in the school visited three (3) teachers for each of their two (2) students, this would count as six (6) parent interactions, thus increasing the base number and resulting percentage.

We would like to wish our students, parents and community a successful school year.

Sincerely,

Ora Beard, Principal
