

DETROIT PUBLIC SCHOOLS

Edmonson Elementary School

Annual Education Report (AER) 2010-2011

August, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2010-2011 educational progress for the Edmonson Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact the school for assistance. You may also leave a message on the AER Hot-line (313) 873.6473 or email us at aer@detroitk12.org.

The AER is available for you to review electronically by visiting the following web site www.detroitk12.org/AER.

For 2009-2010 school year, Edmonson Elementary School met Adequate Yearly Progress (AYP) in English Language Arts and mathematics. We made AYP this year but did not make AYP last year. We are still identified for improvement and will continue in AYP Phase 1. If we make AYP for a second consecutive year we will no longer be identified for improvement and will return to Phase 0. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort. 2011-2012, Edmonson will close during the 2011-2012 school year.

Edmonson Elementary School students have struggled with attendance. All children are expected to be in attendance each day, unless they are ill or an emergency arises. Parents must be made aware that a written excuse explaining the absence or tardiness of the student is required. Once a student is absent three days or having excessive tardiness the Attendance Office will be notified. To help improve attendance:

- We must continue fostering a climate to make students and parents feel welcome.
- We must make parents aware of absences right at the start of the school semester with phone calls and teachers taking attendance, and then contacting the parent immediately.
- We must encourage Parents to schedule the child's doctor and dental appointments around school hours.
- We must forge a relationship with the Parents, Community, and Law Enforcement where students may congregate when truant or absent from school.
- Teachers must create an atmosphere where students want to come to school.

DETROIT PUBLIC SCHOOLS

- Teachers must plan activities that children look forward to participating in.
- Reward students who have good attendance.
- Find out underlying reasons for poor attendance, example:
 1. Is there a bully students are scare of?
 2. Is there a too strict teacher students or trying to avoid?
- Parent/Student Contract “Having Good Attendance”
 1. Insure students are absent for legitimate reasons!
 2. Provide a note when absent!
 3. Getting to school on time!

Parents/guardians you can become involved in the successful education of your child (ren). Listed are a few ways you can become involved.

- Open House
 - Parents can meet teachers, administrators, and other families
- Parents Teacher Conferences
- Meet the Teacher Day
- L.S.C.O. Meetings
- Parent Workshops
- Parent Resource Center
- Volunteers (before, during, and after school)
 1. Monitoring Hallways
 2. Tutoring
 3. Assist in the lunchroom
 4. Assist at dismissal time
- Fundraisers
- Teacher Assignments
 1. Home work
 2. School Projects/Assignments
- School Programs
 1. Holiday Activities/Program
 2. Spelling Bee
 3. Science Fair
- Parent /Student Contract
 1. Attendance
 2. Student Code of Conduct
 3. Tardiness
- Developing Partnerships

DETROIT PUBLIC SCHOOLS

1. Example: Sending Homework Packets for the parents and student to complete together.
- Decision Making
 1. Effectively involving parents in the decision making process.
 2. Example:
 - a. School Improvement Team
 - b. Safety Team
 - c. Beautification Team
 - d. Field Trip Team

When parents take an interest in their children's education, the home becomes more conducive to learning and they have higher expectations for the quality of the children's education. The school becomes stronger and parents can boost parent's confidence in their parenting skills that would lead to increasing the child's sense of security at school.

State law requires that we also report additional information.

Process for assigning pupils to the school

During the 2009-2010 school year, students were required to live within the boundary of the school to which they were assigned.

During the 2010-2011 school year Open Enrollment Detroit Public Schools implemented the "Open Enrollment Initiative. This initiative allows students to elect to attend any Detroit Public School without being required to live within the boundary for that school. The "Open Enrollment Initiative" does not apply to the Examination High Schools, or Application Schools. Parents may enroll their child (ren) in the school of their interest as long as the school has not reached capacity for their particular grade. Enrollment preference is given to students who live within the boundary of a school. It should also be noted that transportation will not be provided for students who select a school outside of the boundary of their home school. Open Enrollment Initiative resources can be found on our web-site at:
http://detroitk12.org/resources/prospective_students/

School Improvement Status

Year	School Improvement Status
2010-2011	School Improvement - AYP Met
2009-2010	School Improvement AYP Not Met

DETROIT PUBLIC SCHOOLS

Detroit Public Schools' Core Curriculum:

Consistent with the District academic plan, **Excellent Schools for Every Child**, there are aggressive plans to accelerate the rate of student achievement and to ensure that students graduate with the academic and social skills necessary for success in college and the workplace.

Specific curriculum actions include:

- *alignment of the curriculum, lessons planning and pacing calendars to national and state standards
- *ensuring that material and texts and supplemental resources and used in the classroom are directly linked to and with the grade expectations
- *defined grade level expectations to create alignment throughout the school
- * Administration and review of quarterly benchmark assessments for students in grades 3-12
- *use pre-intervention tools such as the Dynamic Indicator of Basic Early Literacy Skills (DIBLES) to assess language fluency for students on grades Prek-2 to ensure literacy foundation for reading success
- *use of the data (both formal and informal) to inform teaching strategies and professional development needs for staff, including but not limited to, teachers and administrators
- *focused professional development on the use of appropriate curriculum and teaching strategies, monitoring results and developing the interventions for re-teaching, as necessary
- *use technology (Learning Village/an on-line instructional management system) as a tool to manage instruction and teacher practice

Access to the Core Curriculum

The instructional strategies and grade level expectations are aligned to the state standards and the NAEP. This represents the core curriculum which is supported by the texts, materials, computer soft ware and other school level resources used daily in the classrooms. All of the professional development activities are aligned to the core curriculum.

The implementation is a process delineated in the District Plan **Excellent Schools for Every Child**. This plan serves as the framework for each school's academic achievement plan. The frequent monitoring of the

DETROIT PUBLIC SCHOOLS

implementation of these plans is conducted by the school diagnostic visits, review of the benchmark assessments, use of the teacher evaluation tool and adherence to the pacing calendar.

The variances from the state plan can be found in the grade level expectations which are also aligned to the higher standards of NAEP.

A Summer Parent University is offered with classes to increase parenting skills, early childhood literacy, adult literacy and GED. During the school year, the Regional Parent Resource Center are a vehicle for parents and other community member to participate in regular and on-going informational and participatory sessions focused on curriculum and instruction. Learning Village (an on line instructional management system)

Web updates and semi-annual progress reports are also a means to disseminate information to parents and community.

Detroit Public Schools Core Curriculum is currently under revision. Pacing Charts and Curriculum guided will be posted to the Academic Affairs page of our web-site in the near future.

Parent Engagement

- *Use the technology portal for parents to view daily lessons and to communication with teachers.
- *implement and follow through with the parent contracts.
- *increase the Volunteer Reading Corps from approximately 5000 volunteers this year to 10,000 for next school year.
- *use the Parent Resource Center to engage parents in innovative workshops and session that are practical and will result in parent support to students at home.

Student Achievement Results

Aggregate Student Achievement Results and Detroit Public Schools Quarterly Benchmark Assessment in Reading and Mathematics for Edmonson Elementary School can be found on the Detroit Public Schools' web-page at the Research, Evaluation and Assessment site at <http://detroitk12.org/data/rea/>. The following reports are available:

- District Profile Report
- Combined School Profile Reports
- Individual School Profile Reports

DETROIT PUBLIC SCHOOLS

- Adequate Yearly Progress (AYP) Reports
- Annual Education Report

Parent-Teacher Conferences (Interactions):

School Year	Total Parent Interactions	Percent
2010-2011	169	11.2%
2009-2010	155	N/A

The Detroit Public Schools' Office of Research, Evaluation, Assessment and Accountability has developed a data collection system which has enabled the district to comply with the Annual Education Report criteria of identifying the number and percent of students represented by parents at Parent-Teacher-Conferences.

- 1.0 Data from the PTC Forms represent "parent interactions" with teachers, per school, per card-marking.
- 2.0 Parent Interaction Definition: During Parent Teacher Conferences (and in some instances school open houses) Schools/Teachers are advised to have each parent participant provide a parent signature-a parent may not sign for a student if they did not talk about that student.
- 3.0 For a variety of reasons, five (5) DPS schools are not included in the data collection count due to some school closures and non-return of Parent Teacher Conference Signature List Documents.
- 4.0 Several DPS schools had a very high percentage of reported parent interactions. This may be due to a number of reasons. In at least three (3) instances, the calculated percentages are in excess of 100%. In each instance, each of these three (3) schools is an elementary school with a large parent turnout at each of the four (4) required conferences. If during each conference one parent with two (2) students enrolled in the school visited three (3) teachers for each of their (two) students, this would count as six (6) parent interactions, thus increasing the base number and resulting percentage.

We would like to wish our students, parents and community a successful school year.

Sincerely,

The Staff of Edmonson Elementary School

Clarence Hayes, Principal
