Detroit, Michigan 48208-1178

Annual Education Report (AER) Cover Letter (2013-2014)

August 15, 2014

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2013-2014 educational progress for the Detroit Collegiate Preparatory High School at Northwestern. The AER addresses the complex reporting information required by Federal and State laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact, Thomas Van Hulle, Acting Principal at (313) 899-7370 for assistance.

The AER is available for you to review electronically by visiting the District's website <http://detroitk12.org/aer> or the school's website at <http://detroitk12.org/schools/dcpnorthwestern/>. You may also view a printed copy in the main office at your child's school or at the Parent Resource Center located at the Detroit International Academy, Room 141, 9026 Woodward Avenue, Detroit, Michigan 48202.

The State has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the State. Our school has been identified as a Priority school.

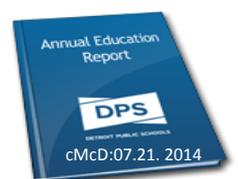

The key challenges for our school are as follows:

- **We did not meet the 80% graduation rate goal.**
 - Only 80.86% of the All Students; 80.86% of the Black and 79.85% of the Economically Disadvantage subgroups were assessed in reading.

- Only 85.09% of the All Students; 85.09% of the Black; 82.84% of the Economically Disadvantage and 92.68% of the Students with Disabilities subgroups were assessed in writing.
- Only 75.31% of the All Students; 75.31% of the Black and 73.88% of the Economically Disadvantage subgroups were assessed in mathematics.
- Only 78.40% of the All Students; 78.40% of the Black; 76.87% of the Economically Disadvantage and 85.71% of the Students with The Disabilities subgroups were assessed in science.
- Only 87.17% of the All Students; 86.79% of the Black; 87.50% of the Economically Disadvantage and 87.50% of the Student with Disabilities subgroups were assessed in social studies.
- **We did not attain Differentiated target achievement goals for all subgroups of students in reading.**
 - Only 0.00% of the Bottom 30% subgroups met the Differentiated target in reading.
- **We did not attain Differentiated target achievement goals for all subgroups of students in writing.**
 - Only 5.08% of the All Students; 0.00% of the Bottom 30%; 5.08% of the Black and 4.17% of the Economically Disadvantaged subgroups met the Differentiated target in writing.
- **We did not attain Differentiated target achievement goals for all subgroups of students in mathematics.**
 - Only 5.26% All Students; 5.88% of the Bottom 30%; 5.26% of Black and 4.35% of the Economically Disadvantaged subgroups met the Differentiated target in mathematics.
- **We did not attain Differentiated target achievement goals for all subgroups of students in science.**
 - Only 3.33% All Students; 0.00% of the Bottom 30%; 3.33% of Black and 0.00% of the Economically Disadvantaged subgroups met the Differentiated target in science.
- **We did not attain Differentiated target achievement goals for all subgroups of students in social studies.**
 - Only 8.74% of the All Students; 0.00% of the Bottom 30%; 8.91% of the Black; 6.82% of the Economically Disadvantaged and 0.00% of the Students with Disabilities subgroups met the Differentiated target in social studies.

We are actively working to address our Michigan School Scorecard issues, accelerate student achievement and close persistent gaps in achievement. Under the Transformation Redesign Plan, approved May 29, 2014, our school is positioned to improve our Top to Bottom ranking by double dosing students with ELA and mathematics next school year, accelerated classes

(to quickly bring students to grade level) for ELA and mathematics prepared by Johns Hopkins University, Title I teachers in ELA and mathematics for students in the lowest 30% of NWEA achievement. As a Priority School, we will maximize Wayne RESA support with coaches in all content disciplines. In the same light, we will use reDesign as consultants to provide support for instructional best practices. As a Diplomas Now school (our reform model), Detroit Collegiate Preparatory High School at Northwestern (DCP@NW) maximizes the resources of JHU with Talent Development Secondary (for organizational support), City Year (for tutoring and mentoring), and Communities in Schools (aligning student/parent need with community resources). DCP@NW will continue to encourage high achievement with dual enrollment, college and career emphasis throughout instruction, and maximize partnerships (e.g. Upward Bound, C2 Pipeline, and GEAR UP). We will also provide credit recovery options with Florida Virtual (through Wayne RESA) and support summer school/afterschool enrollment.

Parent Involvement

DCP@NW has a dedicated Dean of Climate and Culture to coordinate parental involvement and community resources. At his disposal is the site coordinator for Communities in Schools (CIS) (a trained social worker charged with identifying student/parent need, based upon qualitative and quantitative data, with community resources). The Dean and CIS will also work with Detroit Parent Network to ensure a robust PACSA by providing regular events and activities throughout the school year (e.g. workshops on college enrollment, parenting strategies, conferences). DCP@NW will celebrate students and parents with various student activities (e.g. honors/awards, literacy and math nights, student performances, and Alumni support).

State law requires that we also report additional information.

Process for Assigning Pupils to the School

Detroit Public Schools has an “Open Enrollment Initiative.” This initiative allows students to elect to attend any Detroit Public School without being required to live within the boundary for that school. The “Open Enrollment Initiative” does not apply to the Examination High Schools or Application Schools. Parents may enroll their child(ren) in the school of their interest as long as the school has not reached capacity for their particular grade. Enrollment preference is given to students who live within the boundary of a school.

It should also be noted that transportation will not be provided for students who select a school outside of the boundary of their home school. “Open Enrollment Initiative” resources can be found on our website at: http://detroitk12.org/resources/prospective_students/

School Improvement Status

Year	School Improvement Status
2013-2014	Priority
2012-2013	No Status

Detroit Public Schools' Core Curriculum:

Consistent with the Detroit Public Schools 2013-2017 Strategic Plan, there are aggressive plans to accelerate the rate of student achievement and to ensure that students graduate with the academic and social skills necessary for success in college and the workplace.

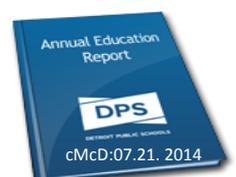

Specific curriculum actions are based on the District's strategic plan to:

- I. Broaden Services to Address Student Needs
- II. Support Parents and Families
- III. Offer Broad/High Quality Programs
- IV. Improve Customer Service
- V. Create Safe Learning Environments
- VI. Transform Central and School based services to serve customers better
- VII. Improve Technology
- VIII. Minimize the Impacts of Change
- IX. Foster School-Based Leadership
- X. Celebrate and Promote Success
- XI. Ensure Fiscal Stability
- XII. Improve Attendance and Discipline

The "Neighborhood-Centered, Quality Schools," Strategic Plan, is available online at http://detroitk12.org/content/wp-content/uploads/2013/03/Strategic_Plan_DRAFT-FINAL.pdf

Access to the Core Curriculum

The instructional strategies and grade level expectations are aligned to the State standards and the NAEP. This represents the core curriculum, which is supported by the texts, materials, computer software and other school level resources used daily in the classrooms. All of the professional development activities are aligned to the core curriculum.

Access to the Core Curriculum (Continued)

The implementation is a process delineated in the District Plan. This plan serves as the framework for each school's academic achievement plan.

The frequent monitoring of the implementation of these plans are conducted by the school diagnostic visits, review of the benchmark assessments, use of the teacher evaluation tool and adherence to the pacing calendar.

The variances from the State Plan can be found in the grade level expectations, which are also aligned to the higher standards of NAEP.

Parents/Guardians are offered classes to increase parenting skills, early childhood literacy, adult literacy and GED. During the school year, the Regional Parent Resource Center is a vehicle for parents and other community members to participate in regular and on-going informational and participatory sessions focused on curriculum and instruction. Learning Village (an online instructional management system), Web up-dates and semi-annual progress reports are a means to disseminate achievement information to educators. Parents will have the opportunity to monitor students' progress, including attendance, through **Parent Connect** in the fall.

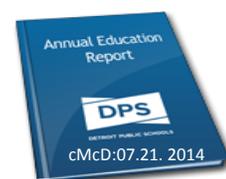

Detroit Public Schools' Core Curriculum is currently under revision. Pacing Charts and Curriculum guides will be posted to the Division of Teaching and Learning under the Leadership page of our website in the near future.

Parent Engagement

- ❖ Use the technology portal for parents to view daily lessons and to communicate with teachers.
- ❖ Implement and follow through with the parent contracts.
- ❖ Use the Parent Resource Center to engage parents in innovative workshops and sessions that are practical and will result in parent support to students at home.

Student Achievement Results

Aggregate Student Achievement Results and Detroit Public Schools Quarterly NWEA ~ MAP Reading and Mathematics reports for Detroit Collegiate Preparatory High School at Northwestern can be found on the Detroit Public Schools' web page at the Research, Evaluation and Assessment site at <http://detroitk12.org/data/rea/>. The following reports are available:

Student Achievement Results (Continued)

- District Profile Report
- Combined School Profile Reports
- Individual School Profile Reports
- Adequate Yearly Progress (AYP) Reports
- Michigan Accountability Scorecard Report
- Annual Education Report
- NWEA ~ MAP aggregate student achievement results

Parent-Teacher Conferences (Interactions):

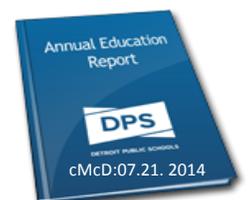

School Year	Total Parent Interactions	Percent
2013-2014	354	8.4%
2012-2013	117	15.1%

The Detroit Public Schools' Office of Research, Evaluation, Assessment and Accountability has developed a data collection system which has enabled the District to comply with the Annual Education Report criteria of identifying the number and percent of students represented by parents at Parent-Teacher Conferences (PTC).

- 1.0 Data from the PTC Forms represent “parent interactions” with teachers, per school, per card marking.
- 2.0 Parent Interaction Definition: During Parent-Teacher Conferences Schools/Teachers are advised to have each parent participant provide a parent signature-a parent may not sign for a student if they did not talk about that student.
- 3.0 Several DPS schools had a very high percentage of reported parent interactions. This may be due to a number of reasons. In at least eight (8) instances, the calculated percentages are in excess of 100%. In each instance, each of these eight (8) schools may have experienced a large parent turnout at each of the required conferences. If during each conference, one (1) parent with two (2) students enrolled in the school visited three (3) teachers for each of their two (2) students, this would count as six (6) parent interactions, thus increasing the base number and resulting percentage.

*Per the Evaluation Unit of the Detroit Public Schools Office of Research, Evaluation, Assessment and Accountability, data was obtained from the Advanced Placement (AP) Current Score Summary (2014) Report. This report was run July 21, 2014.

The 2014 data for this report provides, per school, the total number of Advanced Placement (AP) students who scored 3, 4, or 5 on at least one (1) Advanced Placement (AP) Exam divided by the total number of AP exams per school.

Postsecondary Enrollments (Dual Enrollments):

Year	Total # of 11th/12th Graders Enrolled	# of Dual Enrollment Students	% of Dual Enrollment Students
2013-2014	215	15	7.0%
2012-2013	N/A		

College Equivalency Courses:

Number and percentage of students enrolled in college equivalent courses (AP/IB)

School Year	# of Courses Offered	# of Students Enrolled in Advance Courses	% of Students Enrolled in Advance Courses
2013-2014	0	0	0.0%
2012-2013	N/A		

Percentage of Students Receiving a Score Leading to College Credit (Scores from: ACT/SAT/AP)*

School Year	Number of AP Students	Number of AP Exams	Number of Students taking the AP Exam(s) with Scores of 3, 4 or 5	Percentage of Students taking the AP Exam(s) receiving a Score of 3, 4, or 5
2013-2014	0	0	0	0.0%
2012-2013	0	0	0	0.0%

We would like to wish our students, parents and community a successful school year.

Sincerely,

Thomas Van Hulle, Acting Principal
