The scope of the audit was to review the cash management activities from July 1, 2008 through March 31, 2009 for school year 2008-2009.

- 2) Prepared a process narrative documenting the controls in place for each source of revenue.
- 3) Reviewed monthly cash receipt and cash disbursement ledgers: If the ledgers did not exist, transaction activities were compiled by totaling cash receipt records and reviewing the check register for cash disbursements.
- 4) Completed a cash receipt ledger template: The ledger was designed to identify funds, which may have been received but not deposited. Performed research as necessary.
