

## DETROIT CHILDREN'S MUSEUM

Detroit Public Schools is pleased to welcome its authorized charter schools to utilize the Detroit Children's Museum. DPS-authorized charter schools may schedule field trips, classroom visits to their school, borrow from the museum's roughly 1-million artifact lending collection or even reserve the facility for a Family Saturday event. Call us at (313) 873-8100 for more information or to schedule your experience.

### FIELD TRIP EXPERIENCES

Each field trip is 3 hours long and includes a classroom experience, planetarium show and arts-infused engagement. We employ a cross-curricular approach and create each experience with STEAM education in mind. In partnership with your teachers, we will tailor this experience to meet the needs of all students.

Visitors will have time to explore our gallery and may also eat lunch here. We do not have vending machines or food service on site, so bag lunches are recommended. Transportation is not provided.
