

What Is An ALINE Card?

ALINE® cards are standard debit cards that work the same way as a traditional debit card issued by banks to people with a checking or savings account

ALINE® cards are distributed by employers to allow employees to receive their pay electronically, even if they do not have a bank account

All employees are eligible – no application, no credit check, no background check **It's guaranteed!**

Benefits To Employees

Dependability!

No waiting for checks to be distributed – net pay is deposited onto the card the morning of payday automatically

Saves Time!

Employees don't have to stand in line to cash or deposit their check

Privacy!

Checks are seen by many people – only you have total access to your Paycard

Free!

Saves check cashing fees

Convenience!

Employees can access their pay wherever they are – they do not have to be at work to pick up their check

Innovation!

Gives employees new ways to manage their money
