March 13, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-2016 educational progress for the East English Village Preparatory Academy. The AER addresses the complex reporting information required by federal and state laws. The school’s report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Dr. Charlene Mallory, Principal at (313) 347-7280 for assistance.

The AER is available for you to review electronically by visiting the District’s website http://detroitk12.org/aer, the school’s website at http://detroitk12.org/schools/eevpa/ or the MiSchool Data website at https://goo.gl/nWvKFM. You may review a copy in the main office at your child’s school or in the Parent Resource Room at Detroit Collegiate Preparatory High School at Northwestern, 2200 W. Grand Boulevard, Detroit, Michigan.

For the 2016-2017 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or “Beating the Odds” by outperforming the
school’s predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases, no label is given. Our school was identified as a No Status school.

The key challenges for our school are as follows:

**We did not test 95% of our students.**

Only 87.32% of the All Students; 87.32% of the African American; 89.55% of the Economically Disadvantaged and 74.03% of the Students with Disabilities subgroups were assessed in English Language Arts.

Only 87.32% of the All Students; 87.32% of the African American; 89.55% of the Economically Disadvantaged and 74.03% of the Students with Disabilities subgroups were assessed in mathematics.

Only 86.48% of the All Students; 86.48% of the African American; 86.57% of the Economically Disadvantaged and 85.71% of the Students with Disabilities subgroups were assessed in science.

Only 89.94% of the All Students; 89.94% of the African American; 91.25% of the Economically Disadvantaged and 82.86% of the Students with Disabilities subgroups were assessed in social studies.

**We did not attain Differentiated target achievement goals for all subgroups of students in English Language Arts.**

Only 0.00% of the Bottom 30% and 14.04% of Students with Disabilities subgroups met the Differentiated target in English Language Arts.

**We did not attain Differentiated target achievement goals for all subgroups of students in mathematics.**

Only 0.00% of the Bottom 30% and 14.04% of Students with Disabilities subgroups met the Differentiated target in mathematics.

**We did not attain Differentiated target achievement goals for all subgroups of students in science.**

We did not attain Differentiated target achievement goals for all subgroups of students in science.

**We did not attain Differentiated target achievement goals for all subgroups of students in social studies.**

Only 12.33% of the All Students; 0.00% of the Bottom 30%; 12.33% of the African American; 11.35% of the Economically Disadvantaged and 7.14% of the Students with Disabilities subgroups met the Differentiated target in social studies.
We are actively working to address our Michigan School Scorecard issues, accelerate student achievement and close persistent gaps in achievement. East English Village Preparatory Academy will focus on increasing positive attendance, academic achievement and graduation rates. Inclusive of staff, parents, students and community, we will collaborate on building a solid foundation and establishing avenues for increasing student achievement.

This philosophy will ensure our commitment to being successful in all core areas. At East English Village Preparatory Academy, we have continuously focused our efforts in broadening our services. We offer a wide range of high quality programs for our students. Programs include extended day, credit recovery, Second Chance, S.T.E.M and the S.T.E.A.M programs. In addition to, academic games, tutoring, athletics, fine arts, pre-college engineering (D.A.P.C.E.P) and robotics.

In order to ensure our students are experiencing rigor in all core subjects, we will provide research based job-embedded professional development to our staff. Focusing on classroom management, curriculum, and teaching strategies to formulate best practices for increased achievement rates.

Some of these strategies include:

- State approved Title I plan
- Credit Recovery program (during the school year and summer school to all eligible students)
- Tiered instruction and RTI strategies are available for students
- On-going job embedded professional development available for staff, monitoring to ensure best practices are being utilized in the classroom
- SAT workshops available for staff and students by District approved vendors
- Attendance agents/officers
- Quarterly progress reports, report cards, parent teacher conferences and monthly parent meetings to communicate progress with parents/guardians
- Pre and Post Assessments
- After-School Tutoring

School-wide implementation of the school improvement plan’s goals and objectives will afford the opportunity to increase positive attendance and student achievement. By utilizing all stakeholders, we will disaggregate/disseminate our data to drive instruction, create interventions, differentiate instruction, evaluate and monitor instruction and successfully educate our students. Develop data teams to identify individual student deficits and provide supplemental Title I programs to assist in the attainment of student achievement.
Parent Involvement

Parent Engagement Strategies

- Use parent portal to view daily lessons and to communicate with teachers.
- Distribute and collect district parental contracts.
- Use monthly Parent Meetings to engage parents in innovative workshops and sessions that are practical and will result in increased parental support of students at home.

Administration/Teacher/Parent Connection will provide communication to parents via:

1. Email
2. U.S. Mail
3. Phone
4. School visitation
5. Remind.com
6. Edmodo
7. School messenger
8. Newsletters/Flyers
9. School Newspaper

Parent Resource Room will provide information pertaining to:

- Parent/Teacher Conferences
- Grade level conferences
- Attendance Conferences
- Parent workshops and trainings
- PACSA Monthly Meetings (Parent Advisory Council Student Achievement)
- School messenger calls from the principal to update parents on school events

State law requires that we also report additional information.

Process for Assigning Pupils to the Schools

Open Enrollment Initiative

Detroit Public Schools Community District has an “Open Enrollment Initiative.” This initiative allows students to elect to attend any Detroit Public School Community District school without being required to live within the boundary for that school. The “Open Enrollment Initiative” does not apply to the Examination High Schools or Application Schools. Parents may enroll their child(ren) in the school of their interest as long as the school has not reached capacity for their particular grade. Enrollment preference is given to students who live within the boundary of a school. It should also be noted that transportation will not be provided for students who select a school outside of the boundary of their home school. “Open Enrollment Initiative” resources can be found on our website at: http://detroitk12.org/resources/prospective_students/
Application Schools

Detroit Public Schools Community District has twenty-two (22) schools that require an application for enrollment. Families can apply during the application process window. Applications are open to families of current Detroit Public Schools Community District students as well as those newly enrolling or attending school elsewhere. The District uses one application for its Application Schools. Please note requirements on the application for submission of report cards, test data, transcripts, essay and Grade Point Average information. Schools also may have other individual entry requirements. Be prepared to provide behavior reports.

Examination High Schools

During the Examination High Schools application window, all 8th grade students attending public and non-public schools are eligible to apply for admission to the 9th grade at Cass Technical High School, Renaissance High School and Martin Luther King, Jr. Senior High School’s Mathematics, Science and Applied Technology (MSAT) and Center for International Studies and Commerce programs. Residency is not required. During the beginning of the school year, students must complete and submit an application to take the placement examination.

An application is available at:

- All Detroit Public Libraries
- All Detroit Public Schools Community District’s Middle Schools
- Detroit Public Schools Community Districts’ Parent Resource Centers
- Detroit Public Schools Community District Research and Assessment Office located in the Support Services Complex Building A - 1425 East Warren Avenue

Students must submit an application to be eligible to take the examination. Completed applications and all required documents must be submitted to the student’s current school or the Detroit Public Schools’ Office of Research and Assessment. Detroit Public Schools Community Districts’ students who submit an application will test at their middle school. Non-Detroit Public Schools Community Districts’ students who submit an application will be notified of their testing date and location by mail. Applications may be mailed.

School Improvement Status

We will continue to work towards meeting our School Improvement Plan goals in English Language Arts, mathematics, science and social studies. Research-based strategies, comprehensive data analyses and data driven decision-making drives our school improvement efforts.

**Detroit Public School Community District’s Core Curriculum**

Detroit Public School Community District’s Academic Plan will provide guidance to align all resources in the interest of student achievement and support. Consistent with the Academic Plan is an aggressive plan designed to accelerate the rate of student achievement and to ensure that students graduate with the academic and social skills necessary for success in college and the workplace. The plan is organized around five Pillars of Excellence.
## Access to the Core Curriculum

The instructional strategies and grade level expectations are aligned to the Michigan Department of Education standards (science and social studies) and Common Core State Standards (mathematics and English language arts). This represents the core curriculum for Detroit Public Schools Community District which is supported by the texts, materials, computer software and other school level resources used daily in the classrooms. All of the professional development activities are aligned to the core curriculum and/or standards. The implementation is a process delineated in the District Academic Plan at: [http://detroitk12.org/content/wp-content/uploads/2016/11/ACADEMIC-PLAN-Executive-Summary-FINAL-2.pdf](http://detroitk12.org/content/wp-content/uploads/2016/11/ACADEMIC-PLAN-Executive-Summary-FINAL-2.pdf). This plan serves as the framework for each school’s academic achievement plan. The frequent monitoring of the implementation of these plans are conducted by the school diagnostic visits, review of the benchmark assessments, use of the teacher evaluation tool and adherence to the pacing calendar. The public may access the core curriculum via our public website [www.detroitk12.org](http://www.detroitk12.org) and then click on the link to the individual academic offices.

Access to the Core Curriculum (Continued)

Parents/Guardians are offered classes through Parent University to increase parenting skills, early childhood literacy, adult literacy and GED. During the school year, the Parent Resource Centers are a valuable resource that allow parents and other community members to participate in regular and on-going informational and participatory sessions focused on curriculum and instruction. The Detroit Public Schools Community District Hub, Web up-dates and semi-annual progress reports are a means to disseminate achievement information to educators.

Student Achievement Results

Aggregate Student Achievement Results and Detroit Public Schools Community District’s Quarterly NWEA~MAP Reading and Mathematics reports for our school can be found in the Resources section of our school’s website at http://detroitk12.org/schools/eevpa/. The following reports are available on the Detroit Public Schools Community Districts’ web page at the Research, Evaluation and Assessment site at http://detroitk12.org/data/rea/:

Parent-Teacher Conferences (Interactions)

<td>17.8%</td>
</tr>
</tbody>
</table>

The Detroit Public Schools Community Districts’ Office of Research and Assessment has developed a data collection system which has enabled the District to comply with the Annual Education Report criteria of identifying the number and percent of students represented by parents at Parent-Teacher Conferences (PTC).

1.0 Data from the PTC Forms represent “parent interactions” with teachers, per school, per card marking.

2.0 Parent Interaction Definition: During Parent-Teacher Conferences (and in some instances school open houses) Schools/Teachers are advised to have each parent participant provide a parent signature—a parent may not sign for a student if they did not talk about that student.
Parent-Teacher Conferences (Interactions) (Continued):

3.0 Some Detroit Public Schools Community District had a very high percentage of reported parent interactions. This may be due to a number of reasons. In at least two (2) instances, the calculated percentages are in excess of 100%. In each instance, each of these two (2) schools may have experienced a large parent turnout at each of the required conferences. If during each conference, one (1) parent with two (2) students enrolled in the school visited three (3) teachers for each of their two (2) students, this would count as six (6) parent interactions, thus increasing the base number and resulting percentage.

Postsecondary Enrollments (Dual Enrollments):

Percentage of Students Receiving a Score Leading to College Credit (Scores from: ACT/SAT/AP) (Continued):

*Per the Detroit Public Schools, Office of Curriculum, Instruction and Accountability, Research and Assessment, data was obtained from the Advanced Placement (AP) Current Score Summary (2016) Report. This report was run January 11, 2017.

The 2016 data for this report provides, per school, the total number of Advanced Placement (AP) students who scored 3, 4, or 5 on at least one (1) Advanced Placement (AP) Exam divided by the total number of AP exams per school.

Our staff wishes to encourage our students, parents, community and stakeholders to continue to have faith in our commitment to meet the educational needs of our students. Our resolve is firm; we will meet the challenge of “creating a successful future” for our students.

Sincerely,

Dr. Charlene Mallory, Principal
